

Partnering, Partnering, Partnering

October 20, 2013 | Michael A. Allegra

Federal, State, and Local Partnerships

Unified Plan

MAP-21 and Federal Issues

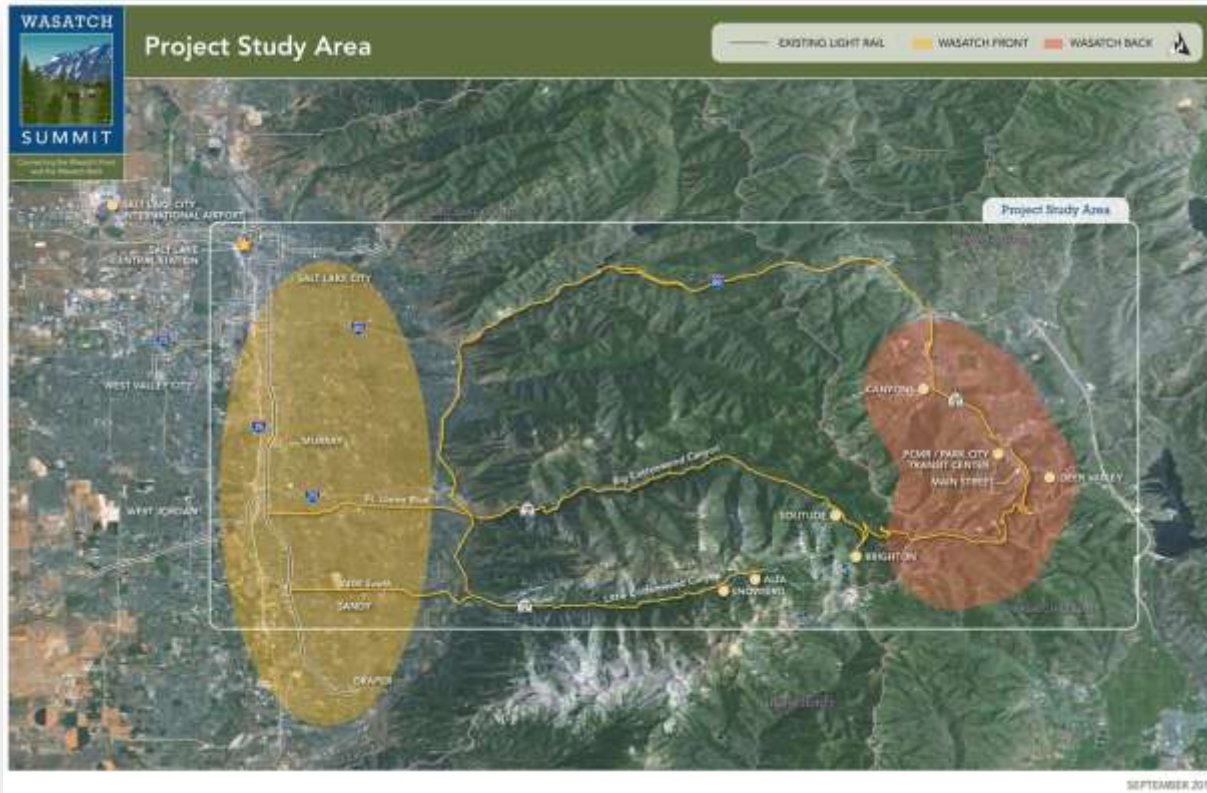

Accomplished:

- Support continuation of current transit funding levels and Highway Trust Fund
- Flexibility to maximize bus rapid transit initiatives
- Flexibility for unused funds in under budget projects
- Approaches for alternative project delivery for New Starts and Small Starts projects
- Strengthening the Program of Interrelated Projects language
- Support for transit-oriented development efforts

Additional requests (added to other legislation and currently law):

- Restore the parity between the transit and parking portion of the transportation fringe benefit
- Provide tax credit for CNG

Environmental Streamlining

WASATCH

SUMMIT

Connecting the Wasatch Front and the Wasatch Back

Federal, State, Local, and *Private* Partnerships
