Celebrating 25 Years!

Rail~Volution
Building Livable Communities with Transit

September 8–11, 2019

Hyatt Regency Vancouver
VANCOUVER, BRITISH COLUMBIA
Dear Supporter,

For over 20 years, Rail-Volution has been on a mission to build more livable communities with transit. Like you, we are passionate about transit and livability because they truly make a place better – economically, socially and environmentally.

Each year, Rail-Volution works closely with a network of dedicated local and national leaders to produce four days of energizing workshops, networking events and community tours that connect over 1,200 professionals dedicated to the movement. Their success depends on a partnership with local leaders and a collaboration of supporters.

In 2019, Rail-Volution will make its first Canadian appearance in beautiful Vancouver, British Columbia. We are working closely with the host agency, TransLink, along with the City of Vancouver, nonprofit and private sector leaders, and communities from across the region. Our goal: to deliver an unforgettable conference that will showcase the transformation of Metro Vancouver into one of North America’s most dynamic transit-oriented regions.

Metro Vancouver is enjoying a time of unprecedented growth in transit ridership, transit-oriented development and investment in the transit system. With decades of coordinated land use and transportation planning and a strong regional economy, transit ridership growth is leading all large U.S. and Canadian cities (4.5% in 2016 and 5.7% in 2017). The time to invest in transit expansion in Metro Vancouver is now; TransLink, the regional transportation authority, has a $9 billion plan to bring more bus, rail, ferry, pedestrian, cycling and road infrastructure to the region.

Rail-Volution is committed to keeping our fingers on the pulse in an ever changing environment. Our annual conference brings the best new ideas forward and examines the implications of new transit tools and mobility options for the effort to build livable, equitable, sustainable communities.

Help us transform North America’s cities and regions into livable places where people are connected to neighborhoods and jobs. Commit your support to the Rail-Volution movement by reserving your sponsorship and exhibition opportunities soon. Position your organization as a champion of equity, livability and transit among the industry’s high profile leaders and decision makers. Start planning now; you don’t want to miss 2019 and the exposure it offers.

Kind regards,

Dan Bartholomay
CHIEF EXECUTIVE OFFICER
Rail-Volution

Take the lead at the Rail~Volution conference

Support the movement to build livable communities through transit.

Rail~Volution is North America’s preeminent transit and livability conference, attended by 1,200 professionals who drive transportation, land use and community development decisions in more than 300 communities.

The Rail~Volution conference uniquely brings together leaders and practitioners from across the US and Canada focused on the intersection of transit and community development. Through mobile workshops, more than 75 sessions and networking events, the conference highlights ways that cities and regions are leveraging major transit investments, along with housing and economic development, to create livable communities, where people are connected to jobs and opportunity.

While the name is Rail~Volution, the conference considers all modes of transportation, including bus, rail, bicycling, walking, sharing and emerging options. The conference encompasses the challenges of new options, from scooters to self-driving cars, as well as affordable housing initiatives and efforts to increase equitable access to opportunity.

As a U.S. 501 (c) 3 nonprofit organization, Rail~Volution relies on the support of partners, sponsors and exhibitors to present four days of energizing events, helping people learn together, challenge each other and expand their professional networks.

Position your organization as a leader and influencer

Sponsors and exhibitors directly reach the individuals who make investment decisions and determine the design of our communities. There is no better place to connect with the leaders in the public, private and nonprofit sectors who plan, design, finance, build and advocate for livable communities.

Boost your organization’s visibility at a local, national and international level.

Rail~Volution offers a range of exposure levels and a menu of a la carte options. Sponsor an event that fits your organization’s personality. Put your brand on conference collateral. Help bring a more diverse audience by sponsoring conference scholarships.

Demonstrate new programs, display current services or products.

Network with today’s leaders in the livability movement.

Exhibit at Rail~Volution 2019

Reach the stakeholders who are directing transportation and development decisions in more than 300 communities across the United States and Canada. At Rail~Volution you can demonstrate new programs, display current services or products and network with today's livability movement leaders.

Your booth will be located in the Rail~Volution Public Square and Exhibitor Showcase, the central gathering place for the conference. Conference attendees will circulate here for breakfast and all breaks as well as mobile workshop check-in and local host information. Live podcasts, place making activities, speed networking, and a social media wall also will be in the Public Square.

Tradeshow Reception
Meet and greet attendees in this relaxing and casual setting inside the Public Square.

Consultant’s Corner
Sign up to provide a 20-minute presentation. Showcase your product, service, or solution. Provide examples and case studies. Network and answer questions for attendees. Times will be listed in the conference program and promoted via the conference app. Invite your own clients or let conference attendees just stop by. Limited spots available on first come, first served basis.

Exhibitor Move In
Sunday, September 8, Noon – 6:00 pm

Exhibit Hours
Exhibits are open during breakfast, all breaks, over lunch and during receptions.

Monday, September 9, 7:00 am – 6:30 pm
Tuesday, September 10, 7:00 am – 4:00 pm

Exhibitor Move Out
Tuesday, September 10, 4:00 pm – 7:00 pm

Booth Set Up and Logistics
All exhibitors will receive an exhibitor guide with information about shipping, set up, booth numbers, electricity and other logistics. Guides will be mailed in July.

100% of exhibitors surveyed said they received the booth traffic they hoped for at Rail~Volution 2018.

"Rail~Volution is a great conference for Siemens and my colleagues and I enjoy attending each year."

Come explore North America’s most transit-oriented communities.

Rail~Volution Vancouver
September 8–11, 2019!
What is Rail~Volution?

**A MOVEMENT**
Our roots are in transit, but our movement encompasses a wide range of livability, equity and emerging mobility issues.

**A NETWORK**
We work across fields, at the cutting edge of land use, housing, community development and transportation. Each year, more than 1,200 people from 300 communities come together to share ideas, breakthroughs, challenges and inspiration.

**A RESOURCE**
The four days of the Rail~Volution conference provide a diversity of ideas and approaches that boost your capacity to collaborate, innovate, communicate and lead.

The world is changing around us – or because of us. But this remains true: We believe major transit investments are transformative, with the potential to make communities stronger – economically, socially and environmentally.

92% OF ATTENDEES SAY THE RAIL~VOLUTION CONFERENCE WAS EXCELLENT OR GOOD.

Here’s what else they say:

"Going to Rail~Volution gave us networking opportunities and hands-on experiences with transit, etc. that we’ll use to improve our own transit system and city as a whole."

"Examples and discussions of BRT will help with planning and design of three lines in my area."

"I loved all the information regarding partnerships across different sectors."

"I work in the community and gentrification is an important issue. The conference provided great information for addressing and learning more from other communities."

"I was really energized by the creative approaches to TOD and financing."

"I will adjust how I speak about issues to more clearly communicate the underlying issues."

Both first time attendees and those who’ve attended multiple times are drawn not only by the conference location but also by its diverse program topics, the opportunity to network, and to learn about best practices and other sectors. They return home from the conference committed to using what they have learned in multiple ways: to improve projects, inform their advocacy, influence both peers and policy, and pursue projects not previously considered.

Who attends Rail~Volution?

Leaders from the public, private and nonprofit sectors, including: the general managers, chief executive officers and staff of transit agencies; technology and mobility innovators; leaders of community development and financial institutions; elected officials and staff from federal, state, provincial, city and county government; transportation planners and urban designers; real estate developers and transit-oriented development managers, and transportation and housing advocates; architects, engineers, community-based organizations, business leaders, financial institutions, foundations, academic and policy professionals.
